AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

I, Michael Pekala, being duly sworn, hereby depose and state as follows:

1. **Affiant:** I have been employed as a special agent of the Federal Bureau of Investigation (FBI) since September 2010 and am currently assigned to the Indianapolis Division Child Exploitation and Human Trafficking Task Force. While employed by the FBI, I have investigated federal criminal violations related to high technology or cybercrime, child exploitation, and child pornography. I have gained experience through training at the FBI Academy and everyday work relating to conducting these types of investigations. I have received training in the area of child pornography and child exploitation and have had the opportunity to observe and review numerous examples of child pornography (as defined in 18 U.S.C. § 2256) in all forms of media including computer media. Moreover, I am a federal law enforcement officer who is engaged in enforcing the criminal laws, including 18 U.S.C. §§ 2251, 2252, 2252A, and 2243, and I am authorized by law to request an arrest warrant.

2. **Information provided:** The statements in this affidavit are based on information obtained from my observations and communications, as well as information learned from other law enforcement officers and witnesses. Because this affidavit is being submitted for the limited purpose of securing an arrest warrant and criminal complaint, I have not included each and every fact known to the investigators concerning this investigation. I have set forth only the facts that I

believe are necessary to establish probable cause that **DAVID FINKEL (FINKEL)** has committed a criminal offense.

3. **Probable Cause:** For the reasons listed below, there is probable cause to believe that DAVID FINKEL (FINKEL) DOB xx-xx-1960 (known to affiant, but redacted) has committed the following offense in the Southern District of Indiana and elsewhere:

A. **Count 1: Sexual Exploitation of Minor Victim 1**, in violation of Title 18, United States Code, Section 2251(a), on or about April 16, 2024.

B. **Count 2: Possession of Child Pornography**, in violation of Title 18, United States Code, Section 2252A(a)(5)(B), on or about June 5, 2025.

PRESENT INVESTIGATION AND PROBABLE CAUSE

Minor Victim 1, date of birth XX/XX/2011, known but redacted, is a real child residing in Missouri. Minor Victim 2, date of birth XX/XX/2008, known but redacted, is a real child residing in Pennsylvania.

25. On or about April 23, 2024, Daviess County Missouri Sheriff's Department received a complaint from Witness One ("W1"), who is the mother of Minor Victim 1 ("MV1"). W1 told Daviess County Sheriff's detectives that she had discovered sexually explicit messages on MV1's cell phone. W1 stated that she observed sexually explicit images and videos of MV1 on MV1's cellphone that were

being shared via text message. W1 consented to a search of MV1's cell phone for a further review of the messages.

26. On April 24, 2024, MV1's cell phone was submitted to the United States Secret Service ("USSS") for a forensic examination and analysis.

27. On May 14, 2024, the Daviess County Sheriff's office retrieved a thumb drive containing the completed forensic examination of MV1's cell phone from the USSS. A Daviess County Sheriff's Detective reviewed the forensic examination of MV1's cell phone and determined that the investigation should be referred for potential federal prosecution due to possible victims and/or subjects residing outside the State of Missouri.

28. On or about June 21, 2024, agents met with Daviess County Sheriff's detectives in Gallatin, Missouri regarding their investigation, and obtained copies of all the Daviess County Sheriff's reports and a thumb drive containing a copy of the forensic examination of MV1's cell phone.

29. On June 23, 2024, the FBI field office in Kansas City, Missouri opened an investigation into possible violations of 18 U.S.C. §§ 2251(a), 2252A(a)(2)(A), and 2252A(a)(5)(B).

MV2 stated that it was "probably" his idea to first send pictures and used "Y99" and/or regular phone text message. MV2 was shown a printed image of the chat communications, which documented MV2 stating, "can we see your ass, Emma." MV2 did not specifically remember Emma by name at the time of the interview but recalled that MV2 may have met "Emma" on "Y99."

42. MV2 stated that MV2 believed that "Emma" knew MV1 and MV2's ages.
